

PR NEWSWIRE - PRESS RELEASE
Joseph James - "Valentine" Single Release

"Valentine" is Joseph James' debut single to be released worldwide on January 2nd, 2023, followed by 10 more powerhouse tracks on his debut album, '55.' With Joseph's record label, studio and performance experience, Joseph is setting out to be the next big act in the mainstream commercial music business in 2023.

Joseph is an award-winning mainstream singer-songwriter-producer from New York, and the founder of AP Music Group. He holds a bachelor's degree in music from Berklee College of Music in Boston, MA. Joseph has performed, produced and toured with major acts all over the world. Some notable acts include Lady Gaga (Stefani Germanotta) and Ritchie Blackmore (Deep Purple).
